GIFT is designed for everyone to explore their faith together. One of the greatest challenges facing families today is being able to spend time together and sharing a meal together. Please take the time to join us at GIFT with *all* of your family. Spend time together breaking bread and exploring your faith.

For Parents/Guardians: As parent/guardian and primary catechist of my child(ren)'s faith, I will encourage and support my child(ren) on their faith journey and recognize the value of bringing my child(ren) to Mass, GIFT Gatherings, parish activities, retreats and workshops, as well as encouraging my child to participate actively in community service and liturgies.
