In the Beginning Was Love
 In the beginning was love
 And the love was with God
 He was with God in the in the beginning
 and the world was made through Him
 And so was I

In the beginning was the song
 And the song was with God
 He was the voice in the beginning
 And the stars would sing for Him
 And so will I
 And there was light
 And the light was the light of Heaven
 And there was goodness
 And the goodness walked the Earth
 And there was beauty
 And the beauty would sing
 Like a voice in the wilderness calling my name
 And before I knew what love was
 Love was in the beginning
