Dear Parents:

As part of the Albany Diocese's "Child Protection Program", we are required to have every child view audio-visual material at age appropriate levels, discussing the topic of child sexual abuse in a non-threatening manner.

We encourage parents to attend with their child so they can answer any questions that may arise.

This material will be shown on Sunday, September 25<sup>th</sup> for Grades (K-2) and October 2<sup>nd</sup> for Grades (3&4) and October 23<sup>rd</sup> for Grades (5&6) during Faith Formation class.

Please sign the permission slip below and return to your child(ren) Catechist on September 11<sup>th</sup> during class time.

Thank you for your understanding and support.

Director of Faith Formation; Coordinator for Grades K-10)
