

REGISTRATION IS OPEN FOR OUR FIRST BLOOD DRIVE OF 2023!

Friday, April 28, 2023 from 12:00 p.m. to 6:00 p.m.
In the Knights Chapel

Let's start our 2023 blood drive season off right by reserving all available time slots and fill the blood bank too in the process! The blood supply remains low, and your donation will be greatly appreciated. Please consider taking about an hour out of your busy schedules to give the gift of life. Each donation can impact up to three lives! Hope to see you on April 28th; if you can, bring a friend! If you donated between our December 10th drive and March 3rd, you are eligible to donate at this drive; Power Red donors who donated at the December drive are also eligible! Please consider registering today for the upcoming drive by visiting www.redcrossblood.org and use sponsor code *churchchristking*. This drive is accepting donations of Power Reds as well as whole blood. To see if you meet the qualifications to donate Power Reds, visit <https://www.redcrossblood.org/donate-blood/how-to-donate/types-of-blood-donations/power-red-donation.html>. In addition to this drive, registration is also open for our June 24th and August 19th drives. You can sign up for them while you are on the website for our April drive; always good to plan ahead! Thank you in advance for your life-saving donation!

The need for blood is constant and only volunteer donors can fulfill that need for patients in our community. Nationwide, someone needs a unit of blood every 2 to 3 seconds and most of us will need blood in our lifetime. If you have any questions, please contact John Risler at jrisler61@gmail.com.

All blood types are needed, and Power Red donations are available too!
