Mass for Hope and Healing

Miscarriage is a sensitive subject for women and their families. Studies show up to 4 in 10 women have experienced the death of a preborn child. However, Due to cultural and social factors, many mothers have suffered in silence with the loss of their babies, in some cases for years or decades.

On **Sunday, Nov. 10 at 2pm at St. Joseph's**, our Parish Community of St Joseph's Greenfield Center, St Paul's Rock City Falls, and Holy Mother & Child Corinth will celebrate **a Mass of Hope and Healing** for those who have endured a miscarriage or stillbirth. During the Mass, there will be special prayers for the unborn babies who never had the chance to be born but are mourned by their families. This Mass is open to all and **fulfills the Sunday obligation**.

More than 44 million people in the U. S. face hunger, including 1 in 5 children. Millions of people in the US don't have enough food to eat or don't have access to healthy food.

High food and gas prices are squeezing working families, sending many to food pantries for the first time. Meanwhile pantries are struggling with inflation costs, supply chain woes and fewer donations coming in.

During the COVID Pandemic many fortunate people were looking out for their neighbors by giving to the pantries. Since the COVID restrictions have lifted, those donations are no longer coming in.

We greatly appreciate your non-perishable donations! However, monetary donations are how we purchase fresh & frozen foods from the Regional Food Bank at lower prices.

Your support of our local Food Pantries will allow them to provide the needed healthy nutrition to your friends and neighbors.
