## **Welcome to Your New Expanded 6 Page Bulletin!**

### **Did You Know?**

Our Parishes of Holy Mother and Child, and St. Joseph's - St. Paul's, combined our bulletins into one, effective May 12, 2024!

There was a great benefit provided to our parishes and parishioners, accomplished by the sharing of news, events to participate in, and opportunities to volunteer and give of our time and talents, within our Greater Catholic Community!

We recognized soon after, that there were times when the format did not always provide sufficient room for us to share all the good things happening in our parishes. Therefore, in the summer of 2024, our Pastoral Councils, under the guidance of Fr. Simon, started to pursue the possibility of expanding from the four page format, to a six page format, seen at other Catholic churches. In order to accomplish this, we began working with our bulletin publication service, LPi Integrated Parish Communications, and their local Sales person assigned to our parish, Victoria Russo.

Did you know, that we the parishes pay nothing for the weekly, year round, publishing of our bulletin in print, or for the online presentation available on the, PARISHESonline website. This is because the businesses that advertise in the bulletin, cover the entire cost of our bulletin with their ads! LPi informed us that we certainly could increase the size of our bulletin, with an increase in the number of advertisers. And so we began the process of working with our LPi contact, Victoria Russo, to acquire more advertisers. Now LPi had approved our expansion!

**WE DID IT! Many Thanks to all who brought this to fruition, and especially to, ALL THE BUSINESSES THAT HAVE PURCHASED BULLETIN ADS!**  
Please take the time to read their ads, support their businesses,  
**AND TELL THEM THANK YOU!**

We will be collecting school supplies for low-income families in July and August. The cost of supplies can be a heavy burden for these families, especially if they have more than one child.

We will be sorting the supplies after the 10:30 Mass on Sunday, August 31st, so donations need to be at St. Joe's by then.

## ***Meal Train Requests***

Meal Train is an organized way for our parish to deliver home-cooked meals to someone who's going through a challenging time. It's a caring way to ensure the recipient doesn't have to think about grocery shopping or preparing meals while going through a major life event.

Please contact the parish office for more information.

### **Practicing Catholic - Beneath the Surface**

By Colleen Jurkiewicz Dorman

#### **The Fire**

This past week I have been reading a biography of St. Francis of Assisi. I admit I didn't know much about Francis going into the book, but I always had this image of him as a hippie — an easygoing nature-lover who sang about peace and let animals climb on him.

I'm not sure where that caricature of Francis came from, but since I've been reading this book I've come to see that it's not true at all. He was a lover of nature, yes. A poet who sang of God's peace, yes. And I'm sure he let a few animals climb on him from time to time (he did live in a hut in the woods).

But St. Francis of Assisi wasn't the lost fourth member of Peter, Paul and Mary. He was a man on fire. He was a man burning.

Francis walked around barefoot and slept on the ground. He abandoned a life of wealth to embrace the material poverty that Christ experienced. He embarrassed his family and they disowned him. When his father would encounter Francis in the streets of Assisi, he would curse him.

Sometimes we get this idea that Christianity is a comfortable, cozy thing. We give our lives to Christ, and we expect to feel instantly satisfied, happy, safe and warm. But the saints knew better.

The saints knew that Christ had not come to wrap us in a warm blanket. Christ has come to set us on fire. And though fire is often seen as a sign of death and destruction, it is also the precursor of new life.

Think of a field of native plants and how it benefits so richly from a controlled burn — an action that clears away detritus and releases nutrients back into the soil.

If we let Christ set fire to our lives, what would that fire burn away? What dead and festering undergrowth in our souls would be consumed by the flames? What promise of future holiness would sprout from beneath the ashes?

### **All Churches Second Collections**

#### **The next second collection will be Aug 23-24 for Catholic Home Missions**

Our second collection next week will be for the Catholic Home Missions Appeal. Right now, over 40% of dioceses in the United States are considered mission territory because they are unable to fund essential pastoral work in their communities.

Your support of this appeal eases the struggle and assists in forming vibrant faith communities.

Please prayerfully consider how you can support this appeal.

#### **Parish Registration**

**Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?**

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

Please contact the parish office to register.

(For St. Joseph's - St. Paul's, you can also register through the link on our parish website.)

#### **Stay Informed!**

Bulletins are available at the church entrance, on our Parish website, and are emailed every Sunday to all who have signed up for Parish emails.

Our weekly Parish emails send out the new bulletin and a link to the weekly recorded or streaming masses.

In addition, special emails are sent when there is important Parish news.

### ***Pilgrims of Hope – Disciples on Mission: A Diocesan Jubilee Gathering***

**Saturday, September 20th, 8:30 AM – 2 PM  
St. Matthew's Church, Voorheesville, NY.**

As the Jubilee Year 2025 draws to a close, and as our diocese embarks on the “Re-Made for Mission” initiative, we will gather as fellow pilgrims and disciples to pray together, and to fan the flame of hope through inspiring presentations by Fr. Frank Donio, S.A.C., director of the Catholic Apostolate Center in Washington, D.C.

Fr. Frank will help us to reflect on what it means to be pilgrims of hope and disciples on mission in today's Church & world and offer us some practical ways such a vision can be implemented in parishes, pastoral networks, and the wider community. This Jubilee Gathering will include morning refreshments, a festive morning prayer, two talks by Fr. Donio, lunch, and a synodal listening session and sharing. There is no cost to attend. However, advance registration is required.

To register go to:

### ***Queenship of Mary***

#### ***Question:***

Why do we have a feast for the Queenship of Mary?

#### ***Answer:***

For many of us, the language of kings and queens may seem like they belong to history or a medieval movie. Royalty have absolute authority over a kingdom and their subjects, a concept that is foreign to many of us today. While Jesus doesn't rule a political kingdom, we honor and recognize him as the King of Kings, Lord of Heaven and Earth. To God alone belongs absolute authority over all of existence.

We may think of queens as the spouse of the king, but there is another key relationship: the king's mother. In Biblical history, we see instances where the mother of the king is given due as a queen herself, complete with a throne!

Mary's guiding influence over her Son is seen most notably in the Wedding Feast at Cana. Mary is not Queen on her own merit. She is “full of grace” and “blessed” in “all ages” because of the reign of her Son
