Management According to the Apostles

If you've ever worked in any kind of organization, for-profit or not-for-profit, I'm sure you have attended a conference or two. Whatever our expectations going in, I usually find these conferences expose me to communication and problem-solving styles that are different from my own, nudging me into a little unexpected self-discovery. And it's a great opportunity to meet new people and do something different.

Here's my idea for a leadership conference: The Management Style of the Apostles. Think about it, the only thing the Apostles had more abundantly than holiness was problems. Lots and lots of problems ... most of them of the human resources variety. It's no small feat, starting Christ's Church on earth. I wouldn't want to be project manager of that endeavor.

The Acts of the Apostles is, in some ways, a big book full of problems and ways to solve them. It's a blueprint for tackling interpersonal issues in the manner of a true steward, who encounters every problem starting from the same place: What would my Master want?

It's a question we should be asking ourselves every time we, too, encounter a problem — especially problems relating to other people. What is the truth in this situation, and how would God have me communicate it? How could I handle this in a way that is worthy of the name of my Master?

In Acts, we see a lot of characteristics of everyday stewardship. We see the Apostles mindfully acknowledge the lack of peace that is posed by problems like false teachings, this Gospel's problem du jour. They prayerfully confront the obstacles to salvation posed by these issues. Always, always, always, their main objective is to reveal the will of God, remaining committed to the truth while helping newcomers find avenues to salvation.

Maybe I'm just saying it because it's my idea — but it sounds like a conference we could all use.

ROMAN CATHOLIC DIOCESE OF ALBANY

Alpha

Spa City Catholic, one of our regional young adult groups, in collaboration with the Roman Catholic Diocese of Albany is planning to launch the Alpha program this summer.

Alpha is a great tool to be used as an entrance ramp into the Christian faith and opportunity to reconnect with those that have fallen away to reignite their faith. Alpha is an 11-week course that creates a space, where people are excited to bring their friends for a conversation about faith, life, and God. Alpha is about making connections around great content and conversation.

Details:

When: Saturday mornings: Jun 21 – Aug30 10 - 11:30 am.

Where: St. Peter's Parish Center -- 62 Hamilton Street in Saratoga Springs (behind St. Peter's Church)

Alpha can be for all ages, but our group is geared ages 19 – 39 years old.

Parish Directory

If you remember, several months ago, we did a survey asking the parishioners if they would like to do a Parish Directory. You overwhelmingly voted yes. We waited until now to do it so all of our snowbirds and summer residents could be included. You are all part of our parish family.

You can gather all your family for your portrait. It can be just you, a couple, you, your children, grandchildren. You can even include your pet. Come to the office after Mass. We can get you registered with a date and time. You can also register yourself online. The dates for the photo sessions are 6/17 and 6/18. The photographers will be here from 2pm – 8:30pm. Please check out the flyer.
