

Oct 13th 2022

Editor's Note: More details will be shared soon (contact information, hours of operation, etc.)

The Gloversville Code Blue Overnight Facility will be opening on November 14th and will be open nightly until approximately April 15th. We will be providing dinner each evening for our guests and are looking for a volunteer to assist in coordinating and scheduling those meals. The position will involve taking calls from and scheduling donors that are interested in providing meals. The volunteer will be working with the Director of the Code Blue Facility for guidance on organizing these dinners. Once we have the coordinator in place, we would welcome anyone else interested in cooking and/or providing dinners.

We thank everyone for their past support of our Code Blue Facility and look forward to providing this much needed service. Please feel free to share this post with your Facebook friends.
