## PRAYER OF ST. MARY'S COMMUNITY

My church is composed of people like me

I help make it what it is

It will be friendly if I am

Its pews will be filled, if I help fill them

It will do great work if I work.

The prayer goes on to say more about our parish community and our part in making it what it is.

In the Albany diocese, we are at a difficult time dealing with Bankruptcy and the priest abuse scandal. We are also facing reduced parish participation and donations in a climate of demographic decline...

As individual parishes in the diocese, we have been asked by the Bishop to review and analyze parish financial information, building/repair needs, current/potential outreach programs, and clergy wellness/availability. Our parishioners on our Parish Council and a special committee formed to review and analyze our parish needs are working to help answer [where we go from here](#).

Today, I just want to make everyone aware that looking at our parish financials shows that we have not been able to meet our parish expenses for the past 3 years. This year looks like it will be the same. Looking at all our expenses and all our income including weekly collections and donations made directly to the parish, we are short \$500 per week.

In order for our parish to survive, one of the requirements is that we must be able to sustain ourselves including a balanced budget. We have been looking at our expenses and have been taking steps to reduce expenses and control costs. We will continue to do this, but we ask for your help in meeting our financial needs.

### Collections

For us to cover parish expenses, our weekly collection must meet	\$2500
Our Collections for Christmas Eve Mass	\$4315
December 27 & 28, 2025	\$1863

### *Important Note Regarding the Diocesan Appeal Collections*

Please make sure that [your name](#) and [St. Mary's 09-08](#) appear on the check. This is an **important** edit that needs to be done so your donation is reported correctly by the Diocese. If you do not receive an acknowledgement of your contribution, please call the office (518-766-2701) and let Dee know.

## EPIPHANY BLESSING OF CHALK

It has been a tradition in the Catholic Church to bless chalk at the Masses for Epiphany, and then use the blessed chalk as part of blessing one's home in the New Year.

The home blessing can be done as follows:

Use the blessed chalk to write: 20+C+M+B+26 above the doorways:

2026 for the year;

C, M, B for the three Magi—Casper, Melchior, and Balthasar—and for Christus Mansionem Benedicat, Latin for "May Christ Bless this House."

As you are writing, pray the following:

Lord God of heaven and earth, you revealed your only-begotten Son to every nation by the guidance of a star. Bless this house and all who inhabit it. Fill us with the light of Christ, that our concern for others may reflect your love. We ask this through Christ our Lord. Amen.

There is a basket with small baggies containing pieces of chalk and this blessing in the back of the church. Please take one and use it to bless your home for the coming year. You can return your chalk in the same basket for use next year.

*Thank you & Holiday Wishes*

The rectory staff wishes to thank all of St. Mary's for the continued support, kindness, and warmth given to both of us each and every day. Some things words cannot adequately express but our gratitude is immense.

*The very Best in the New Year*

## In Our Community

### IMMIGRATION – Refugee Report 2025 January 3 – 4, 2026

At this time, I want to provide you with a summary of what we have donated to the Refugees in 2025. This covers primarily St. Mary’s, but there are goods, cash that came from Grace Methodist Church, Nassau and in December, Immaculate Conception who has joined us in this Cause.

As you will remember the catalyst for this was the arrival of 140 new refugees here in Albany who were the last allowed into the US before the current administration closed the door. They arrived without their standard allowance (\$1000.) for resettlement and without the assistance of Immigration staff who had been fired from their jobs. (But worth remembering that they had to sign to receive a loan from the US for their transportation costs to come here!).

Initially when we began we donated gift cards and cash to help them directly through Refugee and Immigration Support Services of Emmaus, Inc. Then later after I had investigated further we found the US Committee of Refugees and Immigrants who also works with those people. Since RISSE only has the capacity to take funds, we began donating directly to USCRI who has the capacity to accept household goods, personal goods, clothing etc. in addition to cards and cash. So as of July, I had switched us over to them having established a liaison with Shannon Kilbridge there. She has remained our primary contact though we now have “added” through our work, Sara, who oversees all the materials we bring for distribution and Mohammad, our liaison with Senator Schumer’s office in our attempt to find the Ukrainians working papers.

**Categories:** Given how you in your generosity have provided such a wide variety of goods, etc. I have broken the following down into these “categories”. Bags, (large, e.g. the big trash bags); Bags, (smaller, kitchen basket size); Boxes (these generally being the size you can carry in your arms or smaller); Totes, (the plastic shopping type); and then by what it is individually e.g. Strollers, Bikes.

Bags (large)	58
Bags (kitchen/totes)	50
Boxes	12
Boxes/bags (separate from above, odd sizes)	8
Bikes	13
Sewing machines	11
Strollers	14 (including 2 doubles that I special ordered)

**Other:**

- Air Conditioner; Sterilizer (baby) Unit; 1 OVERSIZED bag of stuffed toy animals;
- 3 Ironing Boards; 1 Pak and Play; 1 baby swing;
- 18 soccer balls; and, countless tote bags for groceries

**Gift Cards and Cash:** (some cash was used for the Double Strollers, Sewing Machines – new, needed materials e.g. bike tire, replacement sewing machine cord etc., The rest was donated directly to RISSE and USCRI.)  
**\$5,020.00.**

We can be proud of the above donations from small churches like ours. I do know that we are the only Catholic Church that has been a consistent source for USCRI. I am not denigrating our fellow churches, many have other ways they work to support the community that are equally valuable to meet overall needs. And I know of one other denomination church that consistently donates food stuffs etc. to USCRI. But whatever caused me to watch the news that night in January and then see the follow-up article in the TU, and then to ask you what should we do about this, it’s clear that we have chosen a pathway for us to follow for as long as we can do this.

As I have mentioned to a couple of you, Shannon Kilbridge, our Liaison, and I are meeting after the new year to review where they have to go in these dire times .....and I will bring that message back to you. However, a word of warning ....what we have accomplished in the past year for them may have been the easiest part . This Administration, in case you have missed it has NO INTENT whatsoever of making life easier for immigrants and refugees..... In fact, it appears that the goal is to get rid of them. And we will have to decide what our response as Catholics is going to be going forward.
