St. Mary's Finance Committee Updates

Brother and Sisters of Christ,

SURVIVOR'S FUND

Several months ago, the finance committee updated the St. Mary's congregation on the Albany diocese bankruptcy, fines, and our obligation to help innocent victims from the past. St. Mary's parish set these funds aside and on October 15th we will release the funds to hopefully ease the burden on the survivors of this tragedy.

If you have any questions, please feel free to reach out to any member of the finance committee.

PARISH SUSTAINABILITY

In our last update in the bulletin, we communicated how our finance committee has been not only trying to raise funds but recognizing long term year after year expenses. We have both a parish and diocese responsibility to be a sustainable parish. Working hand in hand with the Albany Diocese, we have navigated the proper channels to sell the St. Mary's Rectory.

The underutilized rectory needs much work and continues to be a financial burden on the congregation. The building is old and in need of repair beyond what our parish can responsibly invest. Many of the rectory functions can be duplicated by the parish hall. Our goal is not only to sell the rectory, but to invest the funds into our parish hall, our church, and release our parish of the unending financial expense of the rectory.

Anyone interested in the purchase of the rectory or has any questions should contact any member of the finance committee.

Yours in Christ,
The Finance Committee

REFLECTION

Leo's Lens

by Nick Brodie

“Christians do not flee from complexity,” Pope Leo says, “for God himself has called them to follow his Son.” We Christians live, as the Pope puts it, “in a world that is already inhabited, already in motion, already marked by both human misery and goodness.” In it, we are meant to be God's light in the darkness.

“As disciples of Christ,” the Pope reminds us, “you know well that the Christian community is not a refuge into which we withdraw in order to protect ourselves from our age. On the contrary,” he says, “the Church is a place of welcome, respect, revelation and meaning for everyone.” We must never reflexively or selfishly reject anyone God sends our way.

Moreover, as the Pope also points out, the Church “is called always to be a Church ‘going forth’” in service. Crucial to this, the Pope recognizes, is the “missionary presence of the lay faithful, who are the living front line of the Church at the crossroads of everyday life.”

“Therefore,” he encourages us, “place communion with the successor of Peter and with the Church before your personal preferences, so as to foster the unity of God’s people.” None of us has to go into the vineyard alone. We should go “together,” and through our togetherness “we will bear prophetic witness to the possibility of a reconciled world.”

Faith Formation Parents & Grandparents

The Catechism reminds us that the family is the “domestic church” where children first learn the faith. Faith Formation reinforces the parent’s teachings of faith, morality, wholesome values, and principles that guide them in decisions and choices throughout their lives.

The Catechism of the Catholic Church (#2222) states: “Parents must regard their children as children of God.... showing themselves obedient to the will of the Father in Heaven, they educate their children to fulfill God’s law.”

Today’s world is as chaotic as ever, perhaps even more than at any other time in history. Love of God, good character, love of themselves, for others and responsibility to community won’t be encouraged or found on any media. It is found in the home, Faith Formation Programs, and the church community.

St. Mary’s Faith Formation Program begins this year on Sunday, September 24. The program for K through 8 including 9th and 10th grade confirmation students is held at 8:45 am to 9:45 am and concludes with 10:00 Mass. The children in our Faith Formation are the heart and pride of our parish. The inheritance of faith, passed on to children is of the highest calling of parents.

Faith Formation enrollment is open now and accepting all ages from K-10th grades. Our parish also has adult programs for anyone interested in increasing their knowledge of faith or to receive sacraments. If you have any questions, you can call the parish office 518-766-2701.

The Faith Formation Schedule is posted on the bulletin board.

We'll be meeting on Friday evening, October 9th, at 7 PM in the church, to discuss the evidence that we very well might be living at the end of these times (not the end of the world). We'll look at Scripture, Marian apparitions and mystics. We also cover how to prepare. We want our oil lamps full.

SUNNY Act Solar Up Now New York (S8512B/A9111B)

This year the NYS Legislature has passed the Solar Up Now New York (SUNNY) Act which will enable all New Yorkers *to start generating their own power* by plugging in solar panels that can be purchased on line or at a store. It is a small but important step towards more Solar for consumers. Please help all of us with this.

What does this mean for you: The SUNNY ACT will enable the use of small, portable plug-in solar devices, often called "Balcony Solar", which can be connected directly to a standard household outlet without any complex installation! These can be installed on balconies, patios, rooftops, or other accessible spaces and start generating electricity immediately

Gov Hochul has not yet signed the SUNNY ACT into law. Based on my discussion with environmental lobbyist friend, there does not appear to be an issue with this legislation so CONTACT THE GOVERNOR NOW and ASK HER to SIGN--- Stop the delay!"

She has until the end of December to sign or veto. If she vetos, it gets sent back to the legislature who can override the veto if they have a majority. **IF** you have not called please do so now! – 518-474-8390. Or <http://www.governor.ny.gov>

Climb the mountain. Bring Jesus along.

Time in prayer is not a luxury or secondary to service, mission, or productivity. Nothing we do all day is more important than spending time with Jesus. Prayer gives life to our mission, and mission draws us back to prayer. We need both.

Climb the mountain: People may rightly say, "My work is my prayer." Yet spouses would struggle to stay close if they only met to divide the chores. In the same way, we need time with God apart from our work. Following Christ requires knowing Him. We sit at His feet and let Him teach us. In His presence, we learn to see as He sees, value what He values,

and love as He loves.

Return to the plains: We aren't meant to stay on the mountain. Jesus sends us back into ordinary life carrying what we received in prayer: a peaceful presence, a new insight, a kind word at the right moment. Some even begin the day by asking God to place in their path the people He wants them to encounter.

The Christian life moves between the mountain and the plain: drawing close to Jesus in prayer, then carrying His presence into the world. And in both places, He remains at our side.

from Scripture

Matthew 22:34-40, The Two Greatest Commandments

The Pharisees sought to test Jesus with a difficult and much-debated question. Jewish tradition identified 613 commandments in the Torah, and a lawyer asked Jesus to name the greatest. Of all the commandments governing Jewish life, which mattered most?

Jesus answered by going to the heart of them all: love God with your whole being, and love your neighbor as yourself. Everything begins and ends with love. And loving God means learning to love what, and whom, He loves. Jesus taught that these two

commandments are the foundation of the entire Law.

Loving God may seem easier than loving our neighbor. Loving others means welcoming people we might naturally exclude, dismiss, or avoid. Jesus drew near to sinners, outcasts, the sick, and even those who opposed Him. Our love of neighbor is tested especially in how we treat the poor, the vulnerable, the difficult, and even our enemies. This is how God loves, and He calls us to love the same way.

Q & A

What is the Franciscan Crown?

The Franciscan Crown is a devotion that meditates on seven joys in Mary's life: the Annunciation, the Visitation, the Birth of Jesus, the Adoration of the Magi, the Finding of Jesus in the Temple, the Resurrection, and Mary's Assumption and Coronation as Queen of Heaven and Earth. The devotion is prayed using seven decades of Hail Marys and is also known as the Franciscan or Seraphic Rosary.

According to Franciscan tradition, the devotion began with a young man named James, who regularly wove crowns of roses to honor the Blessed Mother. After joining the Franciscans, he could no longer continue the practice and became so discouraged that he considered leaving the Order. Tradition holds that Mary appeared to James and gave him a new way to honor her: the Franciscan Crown.

Like the traditional Rosary, the Franciscan Crown is addressed to Mary but centered entirely on Jesus. By meditating on Mary's seven joys, we contemplate the joyful and miraculous events of Christ's life through the eyes of His mother. Rooted in the Gospel and marked by Franciscan simplicity, the Crown offers a distinctly Franciscan way to draw closer to Christ through Mary.

Feasts & Celebrations

October 2 – Feast of the Guardian Angels. All of us have a guardian angel in charge of protecting us and watching over us: *"For I tell you that in heaven their angels always behold the face of my Father who is in heaven"* (Matthew 18:10). Remember to thank the Guardian Angels for the work they have done in helping us.

October 7 – Our Lady of the Rosary. Pope Gregory XIII named this feast because it was believed that Christians won a critical victory at the Battle of Lepanto after praying the Rosary.

October 15 – St. Teresa of Ávila (1582). Teresa joined the Carmelites, against her father's wishes. In 1563, she was inspired to reform her order. Despite serious opposition, she founded more than 17 convents of Discalced Carmelites

and helped reform the Carmelite friars.

October 16 – St. Margaret Mary Alacoque (1690). Margaret joined the Sisters of the Visitation at Paray-le-Monial when she was twenty-four. In 1674, she began having visions of Jesus Christ, in which He asked for a feast dedicated to His Sacred Heart to acknowledge His love for us and to encourage reparation for sins.

October 18 – St. Luke the Evangelist (First century). St. Luke was a Christian physician from Antioch. His Gospel and Acts of the Apostles were probably written between 70 and 85 A.D.

October 19 – Saints John de Brebeuf, Isaac Jogues, and Companions (1649). Six Jesuits and two laymen became missionaries to Native American tribes in North America. After spending more than 20 years in a difficult ministry, St. John de Brebeuf won the Iroquois' respect by his valor in death. St. Isaac Jogues escaped only to return to his ministry but was also murdered.

UPDATES

Based on a meeting with some of my other colleagues this past week who work on various issues including immigrants;, most places that work with immigrants and refugees are now instructing them to write their names and legal contacts on their arms, etc. This appears to be the only way to insure they have that information if and when swept up.

A QUESTION I was asked:

Will these Refugees we are supporting eventually be allowed to apply for naturalization?

ANSWER:

SOME will, but it's unclear even now how that will work for some of them. At one point I was told the Ukrainians *MAY HAVE TO RETURN TO UKRAINE* in order to apply for citizenship here and to return. Of course, applying for that means you would enter under the Immigration cap which is 17,500 and restricted to *White South Afrikaners!*

GET THE PICTURE?

That most likely would apply to most of our categories of Refugees. That's why we are helping to support them here, in the HOPE that " things will change".

Green Cards? Most of our Ukrainians STILL don't have their green card reapplications that were LOST last year! My colleague who is a Lawyer took a short introduction to Immigration Law, to become familiar with that. He said it is the most absolutely entangled bureaucratic structure he has seen and this further supports what others have said. Its *intentional* in order to deny immigrants, refugees entry!

Bishop Mark has responded to my inquiry to use the Evangelist more proactively for Immigration /Refugee information. As he put it, "I am glad you copied Mike Matvey, (the Editor)) so we can search for meaningful ways to use the Evangelist. " Based on my past experience, this is only the FIRST step towards that use. Nothing is simple and I will now have to see where that leads. I am all too familiar with delegated decisions to another entity who may feel differently about their capacity to help.

OSV (CATHOLIC NEWS NETWORK) - I URGE you to pull this up and READ the powerful and urgent homily from Cardinal MCELROY in Washington DC on Sept 28, for the 112th World Day of Migrants and Refugees! . He basically is calling out this Administration on what they are doing in one of the strongest statements made by ANY Bishop to date!! THIS is the type of news that we need to cover in the Evangelist! And we as Catholics need to decided NOW where we stand on this.

OSV in their 9/16 news stated that an estimated **10 million** are at risk for mass deportation from the U.S. now. **8 out of 10** are Christians, and **6 out of 10** are CATHOLICS!! THIS makes an excellent point to raise with our Federal Legislators!! It is a different source for us to use as CATHOLICS, in defense of our fellow Catholics.

I urge you to contact them today .

I again thank all of you who remember our refugees with food etc. Please realize that these people are **more than ready to work!** But our administration is blocking them in many ways from that with slowdowns, lost paperwork, to encourage them to give up
