Saint of the Day for May 4th Blessed Michael Giedroyc

(c. 1425 – May 4, 1485)

A life of physical pain and mental torment didn't prevent Michael Giedroyc from achieving holiness.

Born near Vilnius, Lithuania, Michael suffered from physical and permanent handicaps from birth. He was a dwarf who had the use of only one foot. Because of his delicate physical condition, his formal education was frequently interrupted. But over time, Michael showed special skills at metalwork. Working with bronze and silver, he created sacred vessels, including chalices.

He traveled to Kraków, Poland, where he joined the Augustinians. He received permission to live the life of a hermit in a cell adjoining the monastery. There Michael spent his days in prayer, fasted and abstained from all meat and lived to an old age. Though he knew the meaning of suffering throughout his years, his rich spiritual life brought him consolation. Michael's long life ended in 1485 in Kraków.

Five hundred years later, Pope John Paul II visited the city and spoke to the faculty of the Pontifical Academy of Theology. The 15th century in Kraków, the pope said, was "the century of saints." Among those he cited was Blessed Michael Giedroyc.

Reflection: *Many people today face a life of suffering and discrimination due to physical handicaps. Let's ask Blessed Michael Giedroyc to pray for them that their situation might be addressed by society at large.*

PRAYER OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the most Blessed Sacrament.

I love You above all things and I desire to receive You into my soul.

Since I cannot now receive You sacramentally, come at least Spiritually, into my heart.

I embrace You as if You were already there, and unite myself wholly to You. Never permit me to be separate from You.

Amen
