Saint of the Day for
June 28th
Saint Irenaeus
(c. 130 – c. 202)

The Church is fortunate that Irenaeus was involved in many of its controversies in the second century. He was a student, well trained no doubt, with great patience in investigating, tremendously protective of apostolic teaching, but prompted more by a desire to win over his opponents than to prove them in error.

As bishop of Lyons he was especially concerned with the Gnostics, who took their name from the Greek word for "knowledge." Claiming access to secret knowledge imparted by Jesus to only a few disciples, their teaching was attracting and confusing many Christians. After thoroughly investigating the various Gnostic sects and their "secret," Irenaeus showed to what logical conclusions their tenets led. These he contrasted with the teaching of the apostles and the text of Holy Scripture, giving us, in five books, a system of theology of great importance to subsequent times. Moreover, his work, widely used and translated into Latin and Armenian, gradually ended the influence of the Gnostics.

The circumstances and details about his death, like those of his birth and early life in Asia Minor, are not at all clear. However in 2022, Pope Francis named Saint Irenaeus a Doctor of the Church.

Reflection: *A deep and genuine concern for other people will remind us that the discovery of truth is not to be a victory for some and a defeat for others. Unless all can claim a share in that victory, truth itself will continue to be rejected by the losers, because it will be regarded as inseparable from the yoke of defeat. And so, confrontation, controversy and the like might yield to a genuine united search for God's truth and how it can best be served.*

In honor of your loved ones, Father's Day envelopes will remain on the altar during the month of June. Thank you for your generosity to the church.

CORRECTION: *The Altar Wine for June was offered in memory of Liza Angleby by Mark, Gina & Adeline.*

Prayers for Our Sick: *Please pray for the sick of our parish family: Willie Feliciano, Glenn Anthony Reiniger, Pat Bond, Jim McPhillips, Madeline Kilcullen, Steve Bouchey, Rami Shehadeh and for all those in need of our prayers and support.*

Through Baptism we welcome

St. Augustine's Church, Troy

www.staugustinetroy.org

Corpus Christi, Latin for "Body of Christ," is a feast day in the Roman Catholic Church that celebrates the Real Presence of Jesus Christ in the Eucharist. The feast of Corpus Christi was proposed by Thomas Aquinas, Doctor of the Church, to Pope Urban IV, in order to create a feast focused solely on the Holy Eucharist, emphasizing the joy of the Eucharist being the Body and Blood, Soul and Divinity of Jesus Christ. It's a solemnity that emphasizes the belief that the consecrated bread and wine become the actual Body and Blood of Christ. Many Catholic churches also have traditions of processions on Corpus Christi, where the consecrated host is carried through the streets as a public declaration of faith in the Real Presence

Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. **The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.**

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.

Take Action!

Contact the Governor's office now to oppose this deadly practice! Visit bit.ly/veto-pas or use the QR code.
