

# 12<sup>TH</sup> SUNDAY IN ORDINARY TIME

He woke up, rebuked the wind, and said to the sea, "Quiet! Be still!" The wind ceased and there was great calm. Then he asked them, "Why are you terrified? Do you not yet have faith?"

This is a hymn of petition to the Sacred Heart of Jesus. It was written by American Roman Catholic convert and later priest Theodore A. Metcalf (d. 1920). To listen to the beautiful melody...

*O Sacred Heart, O Love Divine  
Do keep us near to Thee  
And make our love so like to Thine  
That we may holy be*

**[REFRAIN]**

*Heart of Jesus, hear  
O Heart of Love Divine  
Listen to our prayer  
Make us always Thine*

*O Temple pure, O House of gold  
Our Heaven here below  
What sweet delights, what wealth untold  
From Thee do ever flow [REF]*

*Ungrateful hearts, forgetful hearts  
The hearts of men have been  
To wound Thy side with cruel darts  
Which they have made by sin [REF]*

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

June 23, 2024–12th Sunday in Ordinary Time

Right now, you and I are only worried about one of only two things: wind or water. Bear with me. This week we hear the account of the terrified disciples waking Jesus in a sea-storm. He chastises them for their lack of faith, and then, "rebuking the wind, he said to the sea, 'Quiet, be still!'" He rebukes the wind and stills the water. In the Bible wind and water represent the two most fundamental poles of our experience of creation. Wind means heaven, spirit, that which gives identity, unity, order, light. Water stands for earth, variation, potential, that which can be drawn into identity, darkness, chaos.

Too much "wind" is when things get way too rigid, abstract and ideological — when we face oppressive leaders and tyrants, when we get addicted to our own way of doing things, when our attention is too narrowly focused on one thing. Too much "water" is excessive novelty, passivity, indifference, and chaos — when our attention is too broadly diffused on many things, when things seem to be crumbling without direction into the dark abyss. We know both terrifying experiences all too well.

The point of the miracle is that God in Christ is the One who brings final cosmic harmony between these two vital but threatening forces. He ultimately does so from the wood of the cross, when he breathes forth the wind of his spirit and pours forth the water from his side to establish a new creation, filled with harmonious peace. When the wind and water are out of control, trust him.

Showing kindness to others is a way to follow Jesus' command to love our neighbors.

The **Kindness Matters** campaign encourages people to step up and be better neighbors to one another. If

each one of us makes a concerted effort to be kinder and show more love to one another a tidal wave of benevolence will fill our homes, neighborhoods, parishes, and towns.

This initiative will gain momentum one person at a time and one small act of kindness at a time.

It starts with you and me.

As Christians, we are told to love the Lord our God and to love our neighbor as ourselves.

Jesus clearly summarizes and affirms this declaration by stating,

"There is no other commandment greater than these." (Mark 12:29-31).

Acts of kindness can be natural building blocks to being less selfish and increasing our awareness of the needs of others.
