Saint of the Day
November 6th
St. Nicholas Tavelic & Companions
(1340 - November 14, 1391)

Nicholas and his three companions are among the 158 Franciscans who have been martyred in the Holy Land since the friars became custodians of the shrines in 1335.

Nicholas was born in 1340 to a wealthy and noble family in Croatia. He joined the Franciscans, and was sent to preach in Bosnia. In 1384, he and companions volunteered for the Holy Land missions and were sent there. They looked after the holy places, cared for the Christian pilgrims, and studied Arabic.

In 1391, Nicholas, Deodat, Peter of Narbonne, and Stephen of Cuneo decided to take a direct approach to converting the Muslims. On November 11, they went to the huge Mosque of Omar in Jerusalem and asked to see the Muslim official. Reading from a prepared statement, they said that all people must accept the gospel of Jesus. When they were ordered to retract their statement, they refused. After beatings and imprisonment, they were beheaded before a large crowd.

Nicholas and his companions were canonized in 1970. They are the only Franciscans martyred in the Holy Land to be canonized. Their liturgical feast is celebrated on November 14.

Reflection: *Francis presented two missionary approaches for his friars. Nicholas and his companions followed the first approach: live quietly and give witness to Christ for several years. Then they felt called to take the second approach of preaching openly. Their Franciscan confrères in the Holy Land are still working to make Jesus better known.* www.franciscanmedia.org

CHRISTMAS MARKET The Roarke Center is hosting a one-day toy market to assist families on December 19th. The program is open to ALL local outreach programs in the city and surrounding communities. "He mounted that cross not for "humanity" but for you. He left the splendor of heaven for the dirt of the earth and took on sin and death in order to destroy both for you."
