Blessed Claudio Granzotto

August 23, 1900- August 15, 1947

Born in Santa Lucia del Piave near Venice, Claudio was the youngest of nine children and was accustomed to hard work in the fields. At the age of 9, he lost his father. Six years later, he was drafted into the Italian army, where he served more than three years.

His artistic abilities, especially in sculpture, led to studies at Venice's Academy of Fine Arts, which awarded him a diploma with the highest marks in 1929. Even then he was especially interested in religious art. When Claudio entered the Friars Minor four years later, his parish priest wrote, "The Order is receiving not only an artist but a saint." Prayer, charity to the poor, and artistic work characterized his life which was cut short by a brain tumor. He died on the feast of the Assumption, August 15, 1947, and was beatified in 1994. His liturgical feast is celebrated on March 23.

Reflection: *Claudio developed into such an excellent sculptor that his work still turns people toward God. No stranger to adversity, he met every obstacle courageously, reflecting the generosity, faith, and joy that he learned from Francis of Assisi.. www.franciscanmedia.org*

"Precious Blood spirituality tells us, when we tend to those in need of mercy and sit with them in their pain, it is as if we are touching the fresh wounds of Jesus."
