PLEASE MARK YOUR CALENDARS!

Sunday, July 21st, the 3 parishes of St. Jude the Apostle, St. Michael the Archangel, and Sacred Heart, will be hosting a Parish Picnic at the Town of North Greenbush Beach at Snyder's Lake. Last year's picnic was a fun way to reconnect with our friends from our churches!

We hope that you can join us!

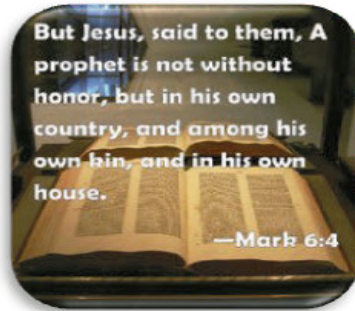

Jesus said to them, “A prophet is not without honor except in his native place and among his own kin and in his own house.” So he was not able to perform any mighty deed there, apart from curing a few sick people by laying his hands on them. He was amazed at their lack of faith. Mark 6:4–6

Why was Jesus “not able to perform any mighty deed” in His hometown of Nazareth? Because the people who had known Him since He was a youth lacked faith in Him. But why wouldn’t Jesus simply perform awe-inspiring miracles with the hope of winning them over? Why not try to convince them by raising someone from the dead or by revealing His transfigured glory to His kinfolk, as He did on the Mount of Transfiguration to three of His disciples? The answer goes to the heart of the workings of faith in each soul.

Jesus’ goal in His hometown Son of God, the Messiah. He the most incredible of miracles have undermined the reason He ple’s hearts, not to convince of miracles. Miracles were of-increase their faith and to show miracle could not increase that them on a rational level, or at true faith.

was not to convince the people that He was the could have easily convinced them of this by and proved Who He was. But doing so would came. He came to ignite authentic faith in peo- them through clever reasoning or by the proof ferred to those who already had faith, so as to them mercy. But when one lacked faith, a which was absent. It might have convinced least impressed them greatly, but that is not

By analogy, say your spouse said to you, “I love you,” and your response was “Prove it.” How would they do so? What could they do to prove that they truly love you? Perhaps they could show charity, kindness, compassion and the like. These qualities certainly are manifestations of authentic love. But deep down, no one can prove they love another. Instead, love must be offered and received in a spiritual way. When that happens, each person somehow simply knows they love and are loved. This is the mystery of spiritual and authentic love.

The same is true with faith. Faith can’t be proved. It can’t be analyzed rationally. It must be embraced and lived. If the people in Jesus’ hometown were to have faith in Him, this gift of faith would start within their own souls. They would look at Him and listen to Him. By their openness and a special personal revelation from God, they would come to know and to believe Who He was. Faith comes first from within, when God communicates to the heart.

Reflect, today, upon your own level of faith in Jesus. When you look into your own soul, what do you see? Do you see a heart that knows Christ Jesus as its Lord? Have you discovered the presence of God within you, speaking to you, revealing Himself to you? Or do you primarily look for external signs and proofs of God’s presence and love? Look into your soul today and ponder the depth of faith that you discover there. When you discover this gift, gaze at it with love, for you are seeing God’s revelation of Himself to you.

My revealing Lord, You continuously speak to me in the depths of my heart, revealing to me Your divine presence and love. Give me a heart that is truly open to You on the deepest level, so that my faith will grow and I will know for certain Your divine love. Jesus, I trust in You.

Thank you for your Sacrificial Giving to St. Jude the Apostle Parish.

Summer heat and humidity has hit before I got my annual warnings posted regarding responding to the 3 H's weather-Hot, Hazy and Humid. They came early this year! Keep drinking your water-limit drinks with caffeine or alcohol-both can affect water absorption. Rotate 1 for 1-one bottle of water after 1 bottle of beer or cup of coffee. Limit your time outside-avoid the sun between 11 am and 4 pm if you can. USE SUN Block if you are outside for longer than 20 minutes, especially if you have light skin. Be smart! Stay cool!
